

## 14. Child Protection Policy

---

Devonport Peninsula Trust will ensure the wellbeing and safety of children in its care. This will include prevention of child abuse or maltreatment.

Devonport Peninsula Trust will ensure staff have access to the training they need.

All staff and volunteers who work with children will be familiar with and follow procedures set out in the Trust's Child Protection Procedure.

It is our policy that procedures will be directly based on the model policy set out in this document:

Safer organisations, safer children : guidelines for child protection policies to build safer organisations.
